

- **Title Of Event/ Programme (Seminar/ Webinar/ Workshop/ Extension Lecture/ Extension Activity/ Any Other Activity):** Data Analytics Using Python Programming Fundamentals
- **Theme of The Event/ Programme:** The theme of an event focused on "Python Programming Fundamentals" typically revolves around establishing a strong foundational understanding of Python for beginners and those looking to solidify their core programming skills.
- **Academic Session:** 2024 - 2025
- **Date:** 22-03-2025
- **Venue:** Webinar Online
- **Objective/ Purpose:** The objective of learning Python Programming Fundamentals is to establish a strong foundational understanding of programming concepts and their application using the Python language.
- **Speaker/S / Resource Person/S:** Arvin Salvador (College Professor).
- **Target Audience/ Participants:** Students of Department of Software Development, B.Voc Studies.
- **Attendance Sheet:** Yes

- **Brief Report About the Event/ Programme:** The purpose of “Python Programming Fundamentals” successfully introduced participants to key concepts in Python programming and its applications in data science. The event focused on equipping students with essential programming skills, exploring data visualization techniques, and understanding the basics of machine learning. Each session included an interactive Q&A, allowing participants to clarify doubts and gain deeper insights. The event was well-received, with positive feedback highlighting the practical applications discussed.
- **Expected Outcome:** The “Python Essentials: From Foundations to Data Science Applications” webinar was a success, fostering knowledge sharing and skill development. The Department of Software Development (B.Voc Studies), Asutosh College, extends its thanks to the speakers, organizers, and participants for making this event a valuable learning experience.

➤ **Screen Shots of the Program:** Attached Below

➤ **Poster of the Program:** Attached Below

The poster is for a 'PYTHON PROGRAMMING FUNDAMENTALS' training course. At the top left is the logo for 'DATA ANALYTICS PHILIPPINES' with a stylized 'DAP' icon. To the right is a 'PYTHON DATA ANALYST' badge and the Python logo. The title 'PYTHON PROGRAMMING FUNDAMENTALS' is in large blue letters, followed by 'FREE TRAINING COURSE WITH ECERTIFICATE' in red. The date and time are 'MARCH 22, 2025 (SATURDAY) 1:00 PM - 3:00 PM PH TIME', and it is 'LIVE VIA FB PAGE'. A section 'What You'll Get:' lists three benefits: '100% FREE Training with e-Certificate', 'LIVE Instructor-led Training', and 'Beginner-friendly content for EveryJuan'. A 'BIG BONUS:' section mentions a 'PHP 2,000 PEARSON IT SPECIALIST PYTHON CERTIFICATION EXAM GIFT VOUCHER'. A photo of Arvin Salvador, a college professor, is shown in a circular frame. At the bottom left, it says 'In Partnership With:' followed by logos for DSA, GSO, and FLEX SOLUTIONS. At the bottom right, it says 'Please visit our page:' with a Facebook icon and the handle '/daphilsai'.
