

-
- **Title Of Event/ Programme (Seminar/ Webinar/ Workshop/ Extension Lecture/ Extension Activity/ Any Other Activity):** Upgrade your career with Gen AI
 - **Theme of The Event/ Programme:** "Upgrade your career with Gen AI," focuses on how Generative AI is shaping the future of work and how individuals can leverage it to enhance their career prospects. It highlights the importance of adapting to the evolving job market, where Gen AI skills are becoming increasingly valuable.
 - **Academic Session:** 2024 - 2025
 - **Date:** 15-02-2025 & 24-02-2025
 - **Venue:** Webinar (Online)
 - **Objective/ Purpose:** A learning objective is a specific and measurable goal that outlines what students should be able to achieve through their learning activities and assessments.
 - **Speaker/S / Resource Person/S:** Developer, Genai99
 - **Target Audience/ Participants:** Students of Department of Software Development, B.Voc Studies
 - **Attendance Sheet:** No
 - **Brief Report About the Event/ Programme:** The purpose of "Upgrade Your Career with Gen AI" event highlighted how generative AI (GenAI) is reshaping the job market and the skills needed for career advancement. It emphasized that GenAI is not just a technological trend, but a fundamental shift in how careers are developed and how work is performed. Participants learned that GenAI is expected to create new roles, transform existing ones, and require a blend of technical and soft skills, particularly the ability to learn, adapt, and apply AI effectively. Upgrading your career with Generative AI is expected to lead to increased efficiency, new job opportunities, and a shift towards more strategic and specialized roles. It will also require a focus on continuous learning and adaptation to new technologies and their applications.
 - **Expected Outcome:** To foster deeper understanding, promote continuous improvement, and support students in achieving their academic goals.
