- **BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:** The one-day visit to the nearby local ornamental fish farm helps to develop entrepreneurship along with valuable insights into the practical aspects of running an ornamental fish farming business. The visit covered various aspects,

including infrastructure, breeding techniques, feeding and nutrition, and marketing strategies. This experience will serve as a foundation for students who are aspiring to be entrepreneurs interested in venturing into the ornamental fish industry.

➤ **EXPECTED OUTCOME:** To train and guide students as entrepreneurs for developing ornamental fish aquaculture as a business model.
