Quiz - Department of Software Development

5th April 2022 - **Intra Semester Quiz Competition** is held by Software Development department, B. Voc Studies Enthusiasm come exploring opportunities. After pandemic situation students have allowed to visit the campus. Students are encouraged to take a part in intra semesters quiz competition. After pandemic situation students are so enthusiastic to take part in the competition. They not only have participated in the competition but also they show their utmost interest towards the subject. Moreover every competition ends with a result. And here is the difference that they have requested for more small initiatives like this. Although this is a small initiative but hope it will come with a huge one too.
