Department of Software Development, B. Voc Studies has organised a webinar on the topic "Information Technology in Educational Administration" in association with IQAC, Asutosh College. The webinar has been held on 19th February, 2022. Information communication technology (ICT) plays an important role in enhancing the quality of education. Administration and management applications of ICT are currently popular in educational sectors due to its capabilities in facilitating administration activities from data storage to knowledge management and decision making . We are honoured that the lectures are given by eminent resource persons. Firstly by Dr. Nimai Chand Saha, Viswa Bharati Shantiniketan followed by Dr. Nikhilesh Barik, Kazi Nazrul University.
