Department of Industrial Aquaculture and Fishery, B.Voc Studies
&
IQAC, Asutosh College, Kolkata - 700026

Live on YouTube

3rd February 2022, 4:00 pm onwards

2nd February is celebrated as World Wetlands Day. On this occasion, The Department of Industrial Aquaculture and Fisheries, B. Voc Studies has organised a webinar on 3rd February, 2022, in association with the IQAC, Asutosh College.

Prospects of the webinar

The webinar has focused to develop the students with the idea about the wetlands along with its significant role in environment. Additionally, the webinar has focused on Ramsar sites along with examples, so that students can gather real time experience.

The webinar witnessed the bright presence of eminent resource person Dr. Pratap Mukhopadhyay, holds National and State (WB) Awardee, Former Principal Scientist, ICAR – CIFA, Former FAO consultant (Aquaculture nutrition) in Kenya and visiting research scientist in INRAE, former visiting faculty of Asutosh College. He has published several research articles regarding aquaculture.

After the enriched presentation, there was a short discussion regarding the wetlands projects. The entire webinar has been conducted by the internal faculty of the department. The recording of the webinar is available on our official YouTube channel
