- ➢ **BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:** The purpose of taking Classroom tests for college students is to assess their understanding, progress, and mastery of the subject matter. By administering tests, instructors can gather data on students' performance, which can then be used to tailor instruction and provide targeted support by taking remedial classes and identify areas for improvement, and ensure that students are achieving the desired learning outcomes.

- ➢ **EXPECTED OUTCOME:**
  - o Participants gained clarity on using ChatGPT effectively for academic and professional tasks.
  - o Hands-on exposure helped attendees understand prompt engineering and context control.
  - o Ethical awareness was raised regarding AI bias, privacy, and responsible usage.
  - o Feedback collected via Google Forms showed 90%+ satisfaction in content quality, speaker delivery, and relevance.
  - o Many attendees expressed interest in **future workshops and certification courses** on AI tools.

- ➢ **SCREENSHOT PHOTOGRAPHS:** Yes
