- **Brief Report About the Event/ Programme:** A workshop titled “Common Internship Test” was conducted on 17th March, 2025 with the objective of preparing students for aptitude-based internship recruitment tests. These tests are commonly used by companies to assess candidates during internship drives. The session aimed to build awareness of the test pattern and improve participants’ problem-solving abilities and confidence. The **Workshop on the Common Internship Test** was a successful and insightful event. It equipped students with essential skills to face competitive internship selection processes and encouraged them to begin early preparation. The organizers thank all attendees and contributors for their support.
