In association with IQAC, Asutosh College

ACADEMIC SESSION: 2023 - 2024

ABOUT THE COMMITTEE/ UNIT/ CELL:

Throughout history, women and queer individuals have faced systemic disadvantages due to their biological sex, a reality that must be addressed in any civilized society. The empowerment of women and the awareness of gender issues are essential for sustainable development. Asutosh College advocates for gender equity, empowering women, nurturing female leadership, and promoting holistic personal development. The institution organizes seminars, workshops, and awareness programs to sensitize students and staff about gender discrimination. Even during the current pandemic, webinars have been held with active participation. The aim is to instill the spirit of 'Naari-Shakti' through education, targeted awareness initiatives, gender sensitization workshops, relevant video sessions, and lectures by esteemed individuals. The Women Empowerment Cell addresses various aspects, from menstrual hygiene to leadership training, striving for all-round empowerment.

Since the landmark 1997 Supreme Court judgment in Vishaka & others vs. the State of Rajasthan & others, which mandated strict measures against sexual violence in workplaces and educational institutions, Asutosh College is dedicated to upholding constitutional mandates to protect against any form of sexual harassment.

The Women Empowerment Cell at Asutosh College has the following missions and objectives:

- Sensitize students, faculty, and staff on gender issues.
- Provide knowledge and inspiration to female students.
- Ensure the college campus is a safe space for LGBTQIA individuals.
- Take prompt action against sexual violence and harassment.
- Provide a safe platform for grievance redressal on gender, sexuality, and identity issues.
- Establish the educational institution as a sustainable model for achieving gender equity.
