Nature's **LENSES**

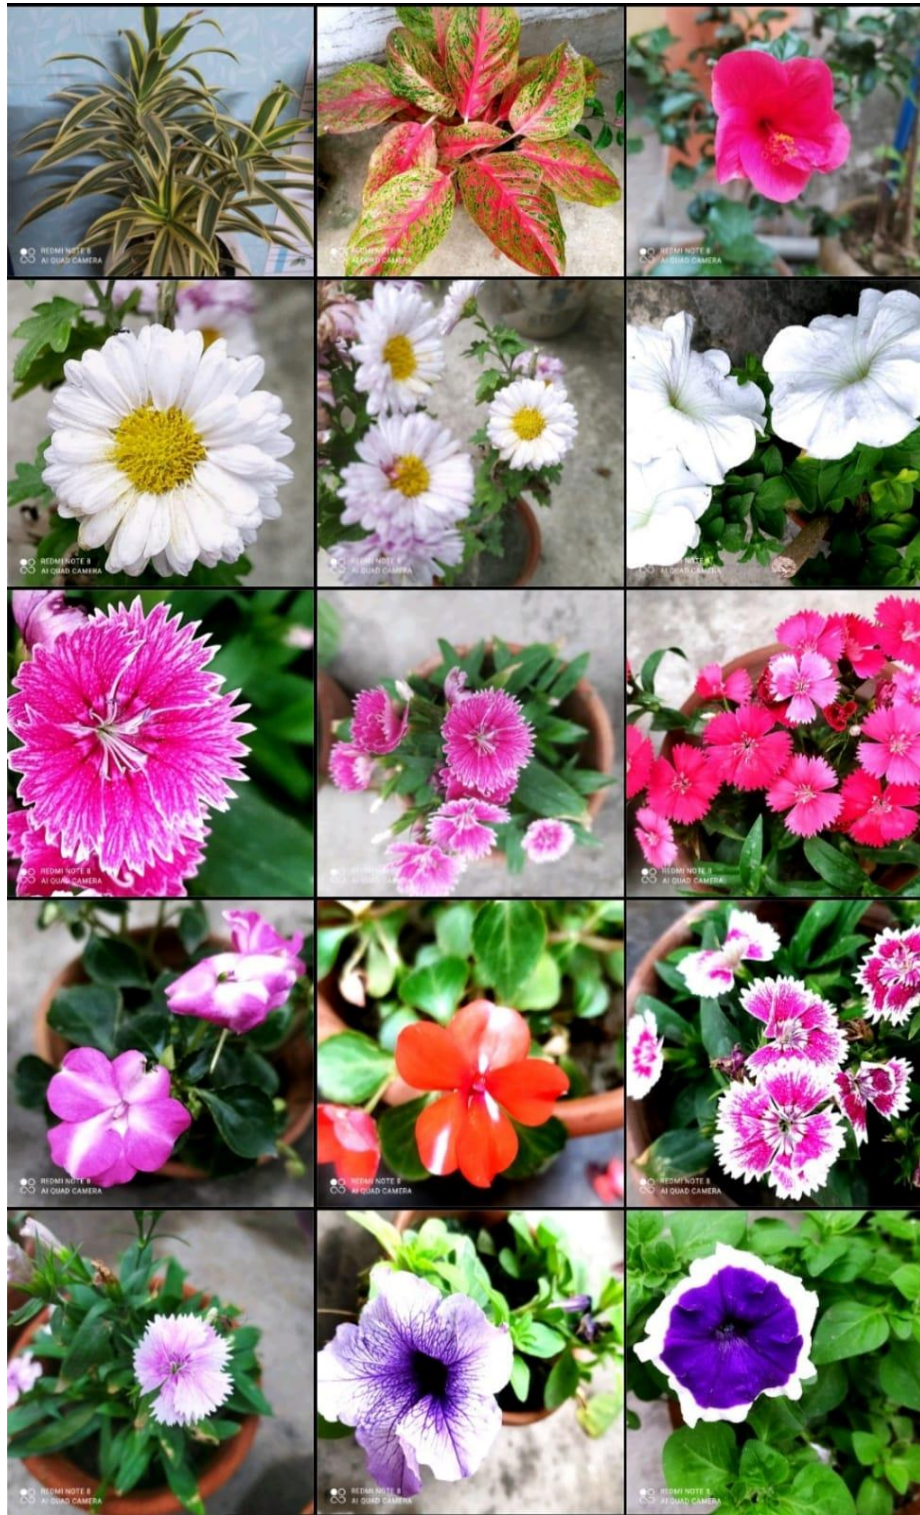

Nature's beauty is a masterpiece untold,
It blooms where the Earth and life unite.

Dr. Sruti Karmakar

Faculty
Department of Environmental Science
Asutosh College

Winter Garden Bloom

Dr. Nandini Mukherjee
 Faculty
 Department of Economics
 Asutosh College

Swastik Guha

Student, B.Sc., 2nd Year
Department of Environmental Science
Asutosh College

In the crowd of undesired people, the
best portrait in the mirror is me

Ayan Kumar Dey

Department of Environmental Science
Asutosh College

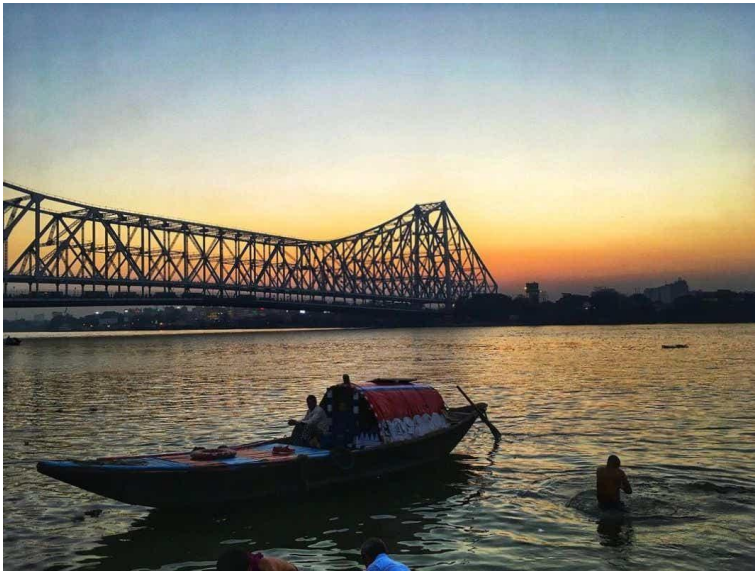

Snippets of Trans Himalayas

Ritayan Mukherjee

Student, B.Sc., 3rd Year
Department of Environmental Science
Asutosh College

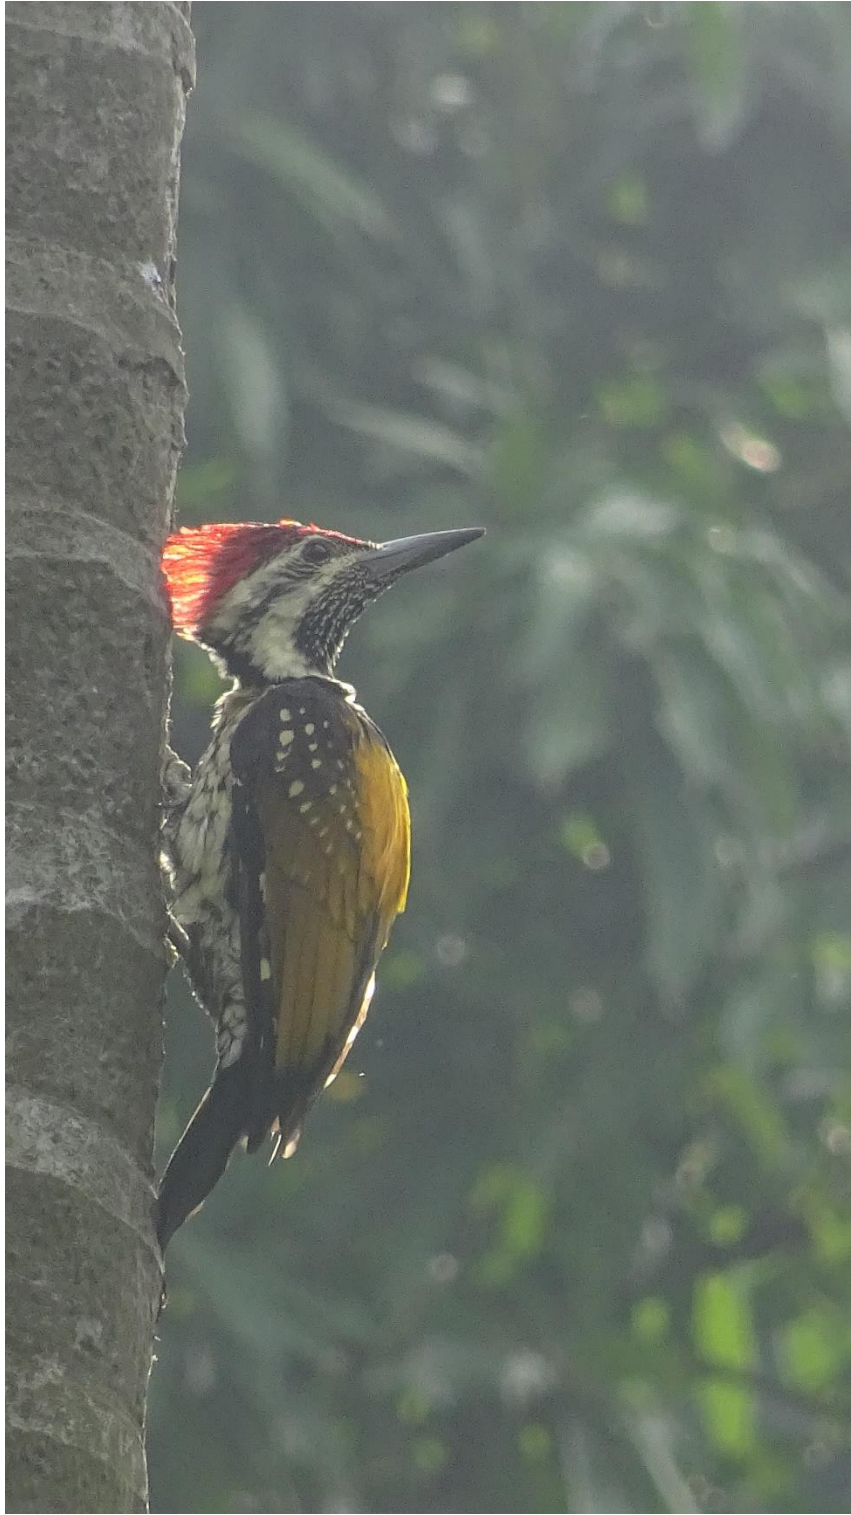

"I felt my lungs inflate with the onrush of scenery, air, trees, mountains, people. I thought, this is what it is to be happy"

Dipjit Majumder

Student, M.Sc., 2nd Year
Department of Environmental Science
Asutosh College

When sunlight brightens the beautiful redhead.
In frame, Black-rumped Flameback woodpecker.

Sanjukta Chakravorty
Student, M.Sc., 2nd Year
Department of Environmental Science
Asutosh College

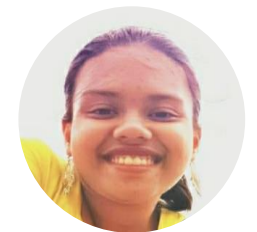

अशक्यं प्रकृतेः ऋते जीवनम्।

Swapnosampan Mitra
Student, B.Sc., 2nd Year
Department of Environmental Science
Asutosh College

Even if one of us
screws up, the
other two can pick
up the slack

Ananya Naskar
Student, M.Sc., 2nd Year
Department of Environmental Science
Asutosh College

Hands holding the future

Anubhav Dey
Student, B.Sc., 2nd Year
Department of Environmental Science
Asutosh College

Untouched

Dipannisha Dey
Student, M.Sc., 2nd Year
Department of Environmental Science
Asutosh College

As steady as a tiger

Dipesh Saha

Student, M.Sc., 2nd Year
Department of Environmental Science
Asutosh College

The magic happens
when you see the
sunrise on your
darkest days

Sankar Chakraborty

Student, M.Sc., 2nd Year
Department of Environmental Science
Asutosh College

Wildlife completes
the nature's
beautiful creation

Tulika Moulik

Student, B.Sc., 2nd Year
Department of Environmental Science
Asutosh College
