

You sacrificed nature for your selfish pleasure and development for ages-  
You entered our territory and pulverized our habitat,  
Encroached our privacy, did not even spare our children  
You disregarded and denied the natural laws-  
Now you have to pay the price  
for your arrogance, misdeed and greed-  
We have no other option but to declare a war,  
A well calibrated microbiological war, “Mission COVID-19” to  
warn and teach you “Every action has an equal and opposite  
reaction.”  
You all have locked yourselves down  
in your concrete cage to escape death  
and are under house arrest-  
Your mighty army, arsenal, political supremacy are of no use-  
You are pathetically helpless and fearing for your life-  
Now the whole world is a free land for us,  
But we are not like you-  
We can live in harmony and give you a new lease of life,  
If you repent for the pain you have inflicted upon us-  
You can renew your hope  
If you respect and follow the rules of nature-  
Live and let others live on their own terms.
