The MUKTODHARA-2024 event, organised by Asutosh College Cultural Unit, Entrepreneurship Cell, Asutosh College Hub Centre, and Placement Cell, in association with the IQAC & Asutosh College Students' Union, was a resounding success, showcasing a diverse range of activities and performances that captivated the audience throughout the day.

The event kicked off with an energetic inaugural song and lighting of lamp by Dr. Rina Kar Dutta, Dr. Sayani Mukhopadhyay, Dr. Sraboni Roy, Dr. Krishna Basu, Dr. Keya Ghosh, and Dr. Supriyo Das. This was followed by a series of cultural performances by both students and faculty members of Asutosh College, highlighting the talent and creativity within the institution.

One of the highlights of the event was the session on "Entrepreneurship in Bengal: Journey of Startups" by Abhishek Biswas, the Founder of U'Vaa & Auth'n. His insights into the world of startups and entrepreneurship provided valuable knowledge to the attendees.

This was a great opportunity for students to showcase their talents, as well as interact and learn from each other.

The Career Guidance & Awareness Programme on Government Jobs by the National Vocational Academy of India (run by Shikshalight Education Research Foundation) was a valuable addition to the event, offering students important information and insights into career opportunities in the government sector.

The students also received hands-on training for using the Asutosh College students' app. This was followed by a speech by Dr. Manas Kabi, Principal of Asutosh College.
