About Us

Welcome to Asutosh College, erstwhile South Suburban College, established by Sir Asutosh Mookerjee himself, on the 17th of July 1916.

With its main campus located in the heart of South Kolkata and the second campus located in Bhasa (South 24 Parganas) our college is unique in its bridging of the urban and the suburban. The Bhasa Campus or the second campus is a flagship green campus with its large waterbody, medicinal plants garden, Rainwater Harvesting plant, integrated farming projects and other green initiatives.

Our Asutosh College family is a strong-knit community of over 5000 students, nearly 200 faculty members, and adequate number of support staff.

We offer a range of courses tailored to meet the needs of today's dynamic world- 10 B.A honours/major courses, 16 B.Sc Honours/major courses, UG Programme in Business Administration, B.A and B.Sc multidisciplinary courses and 8 Post Graduate courses. We also offer Bachelor of Vocational Education at our second campus. Several skill development certificate courses and job-oriented professional courses are also on offer ensuring every student finds his/her path to academic and professional success. We encourage our students to develop original thinking, engage in research and publication right from the undergraduate level, providing them with ample opportunities for the same through our Research and Development Cell and in-house publications. Special care is also given to academically weak students through special classes and mentoring by departmental teachers. Financially underprivileged students are given institutional support to continue their academic journey through different student concessions as provided under the college's concessions' policy.

We are equally proud to support our students with various government scholarships and Student credit card scheme.

In the last NAAC assessment our college had been graded A. We are now gearing up for the 3rd cycle of NAAC assessment and accreditation.

Our infrastructure includes modern laboratories, central library, departmental libraries, e-library facilities, a gymnasium, and bus facility for convenient commuting of our students from the second campus to the main campus. We also have hostel facilities for both girls and boys in the second campus. Another unique feature is our sports tent in the Kolkata Maidan.

The NSS and NCC units of the college are our pride.

Through all these we aim to ensure a holistic development of our students so that they can emerge as responsible members and assets of our country and society.

We take pride in our noted alumni, including Padmabhushan and Bhatnagar Awardee Late Prof. Arun Kumar Sharma, noted footballer Late Chuni Goswami, singer Late Anup Ghosal, filmmaker and singer Anjan Dutt, who have made significant contributions in their respective fields.

Join us at Asutosh College, where tradition meets innovation.
