## MINUTES OF IQAC MEETING HELD ON 18<sup>th</sup> FEBRUARY 2021

Members proposed streamlining of online classes in one or two platforms as teachers, during lockdown due to Covid -19 pandemic. Since 2020 teachers started using various platforms to continue the teaching . But this created a problem for students as they had to install many applications and also faced problems due to network usage related expenses.

### **Resolved that**

IQAC will propose to the college administration to instruct the teachers to continue the online classes in Google meet only.
