

Minutes of the Meeting

Date: 21.03.2024

Agenda and Discisions:

1. Program Collaboration with NSS:

Discussion: A program in collaboration with NSS is scheduled for 15th April, involving a health checkup visit to a slum.

Decision: Dr. Poulomi khan will attend, and others are encouraged to join.

2. World Health Day Celebration:

Discussion: Planning for a program to celebrate World Health Day in the 4th week of April at the centenary hall by the Health Care unit.

Decision: The "Sparsh" committee will be included due to its relevance to geriatric medicine.

3. Next Session on Mental Health:

Discussion: Selection of a practitioner specializing in spirituality or mindfulness for the next mental health session.

Decision: A practitioner will be invited.

4. Request for Mindfulness Practitioner:

Discussion: Requesting a mindfulness practitioner for the upcoming program scheduled between 20th-25th April.

Decision: A mindfulness practitioner will be requested.

5. Suggestion - Genetic Counselling/Awareness Camp:

Discussion: Proposal for an awareness camp on genetic counseling/pedigree chart for possible hereditary diseases.

Decision: Further discussion in the next meeting.

6. Distribution of Responsibility for Program:

Discussion: Allocation of responsibilities for the upcoming programs.

Decision: To be discussed in the next meeting.

These minutes encapsulate the discussions and decisions made during the meeting. Further actions will follow accordingly.

Next Meeting: To be announced
