Sketch by Sri Atul Basu

GOVERNING BODY PRESIDENT'S MESSAGE

**ASUTOSH
COLLEGE**

A CENTRE FOR
UG & PG STUDIES
AND RESEARCH

I take this opportunity to extend a warm welcome to all students, current and new, and all members of staff, teaching and non-teaching, of Asutosh College at the beginning of this new academic session. And I do this with a sense of both joy and relief: joy, because we look forward to an exciting new phase of academic and co-curricular activities, and relief, because at long last, fingers crossed, after the forced disruption of normal on-campus life in educational institutions across the world due to the COVID-19 pandemic, we have returned to a familiar pre-pandemic environment, albeit with some irreversible changes.

It is time to remind ourselves that as an institution we 'have promises to keep,' and with renewed strength may we continue undeterred to fulfil those in the years ahead.

Saugata Roy

Prof. Saugata Roy

PRINCIPAL'S MESSAGE

Education and academia have been undergoing major upheavals for the last couple of years. The staff and students of Asutosh College have lived up to these changes and challenges with confidence and integrity. We have adapted and modified teaching-learning to suit the contemporary academic scenario. No activity has been left out or bypassed. This publication bears adequate testimony of all the activities – curricular and co-curricular which the different departments and committees have successfully organized and executed, despite the raging pandemic. Our students have fared well in University examinations, participated and won accolades in various fields and also forged ahead in the professional careers of their choice. The staff members have given them every possible support – from academic to mental.

The faculty members are no less achievers. They have fulfilled all their academic commitments and also proved their excellence in research and publications, one of the major strengths of our institution, as observed by some renowned academicians and administrators. Several published and forthcoming publications, research projects and accredited journals all from this college within a short time span show our commitment to the cause of education.

There are several plans to upgrade and improve our beloved institution which we shall, definitely with our pooled ideas and efforts. I extend my very best wishes to every member of Asutosh College for all future endeavours towards the betterment of this institution.

May we go from strength to strength !

Dipak Kumar Kar

Dr. Dipak Kumar Kar
Vice Chancellor, Sidho Kano Birsa University
&
Hon'ble Chairman

&
Principal (On Lien), Asutosh College

MESSAGE FROM VICE PRINCIPAL'S DESK

**ASUTOSH
COLLEGE**

A CENTRE FOR
UG & PG STUDIES
AND RESEARCH

Passing through the unprecedented and extraordinary Covid-19 pandemic during the last two years, we are now in the post-vaccine world, though most countries continue to experience mild to moderate threats of Covid-variants. In this post-pandemic period, we cherish the dream that we will get back the normal life we had till the first quarter of 2020 – but in a much better, healthier and stronger way. Life does not stand still, it moves on...

Asutosh College, one of the renowned and vibrant educational institutions in the state of West Bengal, successfully connected with all its students virtually during the pandemic, initiating them into the unknown territory of online teaching-learning, motivating them to stay physically healthy and mentally positive during the difficult times. Along with its academic responsibility, our college also discharged and still continues to discharge its social responsibilities despite several limitations. I heartily congratulate my students and colleagues who fought as covid warriors for the aged, and weaker sections of the society. We believe that education not only serves the purpose of achieving higher academic qualifications for better job opportunities, but actually paves the way for understanding the self, and inculcating moral and ethical values that are gradually being lost today.

Alongside Calcutta University-affiliated regular courses, Asutosh College offers some other co-curricular Certificate courses to meet the requirements of the current job market that is both demanding and continuously evolving out of necessity. With an exceptional team of spirited, dedicated, and experienced administrative and academic staff, we ceaselessly try to put in our best efforts for our students who too put in their best efforts to realize their goals. The student-support infrastructure in our institution is there to help students pursue their dreams uninhibited.

On behalf of the administration, teaching, and non-teaching staff of the college I extend a warm welcome to the new members of the Asutosh family and hope that you will make the most of all the academic, cultural, social and emotional growth opportunities this college offers

Prof. Apurba Ray
Vice-Principal, Asutosh College

MESSAGE FROM BURSAR'S DESK

We have overcome the dark days of COVID-19. We have felt life together. Now is the time to see light. Now is the time to walk together. Asutosh College manifests this togetherness.

When our college began its journey in 1916, it started with a vision to cultivate the young minds. Now it has emerged as an institution of academic excellence. Affiliated to the University of Calcutta, Asutosh College is one of the premier institutions for Undergraduate and Postgraduate courses in Kolkata. Besides, we offer B.Voc. programmes and ICT-enabled professional/ certificate courses. Our college has a rich history, and has been a driving force for numerous distinguished personalities established today. As a social institution Asutosh College nurtures a long tradition and cultural fineness. As an academic institution the college transcends all economic, class and caste barriers. Furthermore, we are proud to have nurtured a deep bond among students, teachers and non-teaching staff, and this is what sets the atmosphere of this great institution.

On behalf of Asutosh College, I warmly welcome you and extend all joys.

IN THE BEGINNING

ASUTOSH COLLEGE

A CENTRE FOR
UG & PG STUDIES
AND RESEARCH

Syamaprasad Mookerjee (Left), Panchanan Singha, Founder-Principal (Right). Personalities behind the creation of Asutosh College

South Suburban College Building (1916-17)

Bijni House (1917-35)

1915

Permission sought for establishing a College in South Calcutta under the leadership of eminent mathematician, educationist, Vice Chancellor (Calcutta University), Chief Justice (Calcutta High Court) Sir Asutosh Mookerjee.

Approval from the Govt. of India to upgrade South Suburban School into an intermediate College.

1915

3 June, 1916— College named South Suburban College and Sir Asutosh elected President of its Governing Body.

17 July, 1916 — The College started to function formally, from 26, Lansdowne Road, Calcutta.

1917

The College shifted to Bijni House, 157, Russa Road, Calcutta (later demolished for constructing the Chittaranjan National Cancer Institute).

1918

Intermediate College upgraded to Degree College.

1924

Sir Asutosh passed away on 25 May. South Suburban College renamed ASUTOSH COLLEGE on 15 June.

1925

Teaching of Science subjects started.

1929

The Asutosh Mookerjee Memorial Institute, founded in 1927, appealed to the Calcutta Corporation (the then Mayor was Netaji Subhas Chandra Bose) for a portion of land from Hazra Park (Jatin Das Park) to be leased to the institute for the construction of a new building for Asutosh College, a Library and an Auditorium.

1932

Asutosh College (Morning section) opened and subsequently renamed Asutosh College for Women in 1948, and Jogamaya Devi College in 1958.

1934

Dr. Syamaprasad Mookerjee took over as President of the Governing Body and served the College in this capacity till his death.

1935

Asutosh College shifted to the newly constructed building under the initiative of Dr. Syamaprasad Mookerjee, that exists to this day as the Main Building.

1945

Evening Department of Commerce opened and renamed Syamaprasad College in 1958.

ACADEMIC HISTORY

1916

Intermediate College with English, Bengali, Sanskrit, Logic, Mathematics and Botany.

1918

Degree College with English, Vernacular Composition, Sanskrit, Mental & Moral Philosophy, History, Political Economy and Political Philosophy and Mathematics.

1925

Teaching of science subjects started with Physics, Chemistry, Mathematics, Botany and Zoology.

1949

Geography, Geology introduced.

1952

Statistics introduced.

1973

Zoology upgraded to Hons. level.

1985

Botany upgraded to Hons. level and Sociology introduced.

1991

Asutosh College Training Centre established to provide training courses to UG/PG students to equip them for the job market.

1994

Industrial Fish and Fisheries (Vocational/ Major) introduced.

1997

Computer Science introduced.

2001

Bachelor of Business Administration and Psychology introduced.

2002

First Postgraduate Course (M.Sc. in Environmental Science) introduced.

2003

Microbiology, Biochemistry, Journalism & Mass Communication, Communicative English (Major) introduced .

2006

Electronics (Hons.) introduced .

2009

M.Sc. in Zoology and Geography introduced.

2011

M. A. in Bengali and B. Sc. (Hons.) in Environmental Science introduced.

2012

M.A/M.Sc. in English, History, Political Science and Environmental Science through distance mode introduced.

2013

Add-on courses on Travel & Tourism, Industrial Chemistry and Hospital Waste Disposal Management introduced.

2014

B. Voc. and Community College (Diploma & Advanced Diploma courses) introduced. M.Sc. in Applied Geology and Computer & Information Science introduced.

2016

PG Diploma in Travel & Tourism, Export-Import Management, Disaster Risk Management introduced.

2017

M.A/M.Sc. in Sanskrit, Physics, Chemistry through distance mode introduced.

2018

IGNOU Centre opened.

2019

Certificate Courses in Basic Computer Course & Web Designing, Soft Skills & Communications development, and Career Counselling and Training

2020

Approval from UGC for M.Voc. courses.

**ASUTOSH
COLLEGE**

UG & PG STUDIES
AND RESEARCH

Main Building

The main building of the college is located on 92 S. P. Mookerjee Road, adjacent to the lush green Jatin Das Park. Proximity to the park makes the classrooms bright and airy.

Annexe Building

Constructed during the Platinum Jubilee Year of the college in 1991, it is located across Basanta Bose Road which runs along the north face of the College, and houses the Asutosh College Training Centre (ACTC), the reading section of the Central Library and some newly-introduced Departments.

Centenary Building

Located at 22, Kalighat Road, it was inaugurated on 1 April, 2015, to mark the College Centenary. It has a modern seminar hall along with conference room, e-library, instrumentation centre, smart class room make the teaching-learning process more technologically-enabled.

Humanities Block

This four-storied building at 16 Basanta Bose Road housing some of the Humanities Departments, was inaugurated in the Centenary year of the college.

UG & PG STUDIES
AND RESEARCH

GREEN CAMPUS

Second Campus (Green)

Located in Bhasa, near Joka, on 11 acres of prime land on Diamond Harbour Road is the second campus of the college. When complete, it will have a 2.5 acres water-body landscaped into the architectural design for serenity and a pollution-free, eco-friendly 'green campus' tranquility.

A state-of-the-art Academic-cum-Administrative building, Central Library and high-tech Laboratories, Auditoria, Students' Hostels and a residential complex for members of the teaching and non-teaching staff will complete our conception of the new campus.

This campus has already been surrounded by a high boundary wall of 4000 running ft., followed by the planting of 400 saplings. 'Sushrut', the medicinal plants garden with its collection of more than a 100 types of plants, is a major attraction in this campus. It also has an orchidarium and a Butterfly garden. The construction work of the Office building and the Hostel buildings for boys and girls has been completed with UGC funding and that of the Academic building is in progress. The academic activities in the campus will be distributed across the proposed Schools of Life Sciences, Earth Sciences, Physical Sciences, Social Sciences, Computer Science and Technology, Rural Sciences, Distance Education, Language & Literature, etc., for interdisciplinary studies and research. Activities currently being undertaken here include Aquaculture, Organic Farming, Rainwater Harvesting and Biogas Generation. There is a badminton court and a volleyball ground for students and boards.

Campus/Research Centre

Asutosh College Research Centre

Located at 128/9 Hazra Road, Kolkata - 700026.

This two-storied building is completely dedicated to the research activities pursued by the faculty members and students of Asutosh College.

HUMANITIES DEPARTMENTS

DEPARTMENT OF BENGALI

About the Department

The Department of Bengali is one of the oldest in Asutosh College, as in 1916, during the inception of the college, Bengali was introduced as a subject. The former faculties included the first lady professor of the college, Dr. Basanti Mukherje, and other eminent academicians like Nirmalya Acharya, editor of 'Ekkhon', the well-known Literary Journal. Present faculty members are engaged in active research & publishing, and also involved in various academic assignments of other colleges and Universities as invited resource persons.

Departmental alumni include famous personalities like Sri Premendra Mitra, Sri Achintya Kumar Sengupta, Smt. Maitrayee Devi, Sri Samaresh Majumder, Sri Sudhwasatta Basu, Sri Jhareswar Chattopadhyay (litterateurs), Prof. Arun Kumar Mukherjee, Sri Paresh Chandra Majumder, Sri Barun Kumar Chakravorty (academicians/researchers), Sri Partha Raha, Sri Krishna Kishore Mukherjee. Smt. Jayeeta Goswami (media persons) and also several school and college teachers in the list.

With a heritage of more than a century, currently along with teaching Bengali Language & Literature at the undergraduate level, the Department also conducts the postgraduate course of the University of Calcutta (since 2011), the only one under the Faculty of Arts in the College.

The Department apart from regular academic activities is also involved in cultural activities like music, dance, and recitation, debates, and sports. Students are proud winners of prizes and trophies.

The wall magazine titled 'Lipika' is also published in every new academic session by the department. Last, but not the least, the Department has very prominent representation in some prominent administrative positions in college.

Courses Offered

B.A. (Honours and General courses) in Bengali literature

M.A. in Bengali literature

DEPARTMENT OF COMMUNICATIVE ENGLISH

About the Department

The department of Communicative English, Asutosh College was established in 2003 with the aim of building communicative competence in learners and making them industry-ready. Beginning with only 14 students and a single teacher, the department has grown exponentially over the years and boasts of alumni well-placed in India and abroad in companies like Google, British Council, Price Waterhouse Cooper, Capgemini, Infosys, and Hindustan Times. The department presently offers a mixed bag of courses from the domains of Linguistics, English Language Teaching, English for Specific Purposes, Media and Communication studies, PR and Advertising, and Management studies to students majoring in Communicative English besides offering a course in Communication and Soft Skills to students of other departments.

DEPARTMENT OF ENGLISH

About the Department

With its motto, *Docendo Discimus*, 'by teaching, we learn', the Department of English was among the first academic departments to be set up in the college when it became operational on the 17th of July, 1916.

Babu Someswar Prasad Mookerjee (later on, Vice-Principal of the college) and Babu Nalini Mohan Chatterjee were the first Professors, with Babu Nripendranath Ghosh as the first Additional Professor, in the department.

The department has been privileged to have had as members of its teaching staff, many of whom were recognised both as scholars par excellence, and as stalwarts in the field of teaching English literature. No less illustrious have been some of the alumni, who belong not only to the field of literature, but also to the world of entertainment and culture.

DEPARTMENT OF HISTORY

About the Department

The Department of History, established in 1916, is one of the pioneering departments of the College. Staffed at present with 4 substantive and 2 SACT faculties, the department thrives on a constructive and lively interaction between the teachers and the students. The department has been touched by the magic wand of illustrious faculties like Narendra Krishna Sinha, Sushil Chaudhury and Basudeb Chattopadhyay. The department has been regularly organizing excursions to historical sites since 2007. Some of the places visited include Delhi-Agra, Varanasi, Rajgir-Nalanda, Lucknow, Chandraketugarh. Also as part of the curriculum, annual visits to the Indian, Museum are organized on behalf of the department. The department maintains a rich collection of about 700 books as a part of its seminar library collection. As part of serving the society at large, the department maintains a Braille corner at the library since 2009, where subject-related books have been converted into the Braille medium for the benefit of visually-challenged students.

The department has a seminar library with over 600 books.

Career Prospect

History is a dialogue between the past and the present. Thus students of history, equipped with the knowledge of the past, are better equipped to understand the present and plan for the future degree in History would thus open up several avenues. A career in teaching, after obtaining the B.Ed degree or qualifying for the NET/SET examination as the case may be, (school/college) University) is a viable option. Another possibility is in the media sector. Since a student of history is endowed with an understanding of the past, he/she can look forward to a career as an analyst in the electronic/print media, be it in the field of politics, sports or culture since history imparts a holistic understanding. Also a student of history would shine as a diplomat/bureaucrat, since we follow colonial structure in our administrative set-up with which he/she would already be familiar with, courtesy his/her grounding in history.

DEPARTMENT OF JOURNALISM AND MASS COMMUNICATION

About the Department

Established in 2003 Department of Journalism and Mass Communication, Asutosh College began with a simple dream of generating an opportunity to create active journalists and media professionals.

Back in the day when Journalism and Mass Communication was not a familiar subject for the undergraduate course, Asutosh College decided to venture into the unconquered sea of Journalism and became one of the pioneers to introduce this exciting subject at the college level. Over the years, this department has grown in size and facilities. Today we boast of highly experienced faculty and a very strong and successful alumni in different fields of Mass Communication.

With interactive seminars, webinars, workshop and hands on training under the guidance of experienced professionals, we continue to grow and improve with each year. We started with a dream of becoming one of the best in the city and now we dream of becoming the best in the country and strive towards new heights and success for our students. Asutosh College welcomes all aspiring Journalism and Mass Communication students to be a part of our extraordinary journey and help them achieve their dreams.

Fly High and Dream Bigger!

DEPARTMENT OF PHILOSOPHY

About The Department

Since 1916 the Department of Philosophy has been striving towards excellence. The primary objective of the department has always been nourishing young minds with various facets of philosophical thinking. Currently we are teaching various ideologies of Indian Philosophy, Western Philosophy, Social and Political Philosophy along with Logic. Our syllabus also encompasses modern philosophical ideas like Contemporary Indian Philosophy, Feminist Philosophy, Human Rights etc. At present six of our experienced faculty members have taken the responsibility of nurturing more than four hundred inquisitive minds.

DEPARTMENT OF SOCIOLOGY

About the Department

Sociology was introduced in Asutosh College as a Pass Subject in the year 1985 by noted social scientist Prof. Amritava Banerjee. In 1988, with the introduction of honours degree it became a full-fledged department with vibrant faculty members. Since its inception, it has trained many students of national and international repute. The Department has been visited by many distinguished scholars who have delivered lectures and seminars. The faculty members of the Department have also been associated with many institutions in India and as participants in seminars and conferences. The Department draws students from different parts of West Bengal as well as other states of India and even neighbouring countries like Nepal, Bhutan and Bangladesh.

Central Library- 2000 Books (Approx); Seminar Library- 500 Books (Approx) and Journal- 2 (Sociological Bulletin and Contributions to Indian Sociology).

Career Prospects

The labour market of 21st century is fast-changing. The skills one needs to include creativity, innovation, critical thinking, communication, multicultural and global understandings. Sociology help students to develop these skills needed for a successful 21st -century career. Sociologists study social life, social change, diverse communities and their interactions, and they use scientific methods to find empirical answers to complex social questions. Therefore, will be equipped with tools needed to make sense of the shifting social world and contribute solutions to difficult social problems. As there are many employment opportunities for a graduate in sociology, the following list of possibilities is only illustrative-

- Teaching and research
- Public relations
- Media and advertisement
- Rural and urban planning
- Rehabilitation counselling
- Public administration
- Marketing and sales
- Market research
- Community development
- Social activist
- Non-profit agencies
- Public health and hospital management
- Personnel management
- Criminologist

DEPARTMENT OF BIOCHEMISTRY

About the Department

The department was established in 2003. It has been 18 years of this department in College. The students who passed out from this department are efficiently involved in research programmes, post-doctoral programs, teaching programs and in pharmacovigilance sectors in different pharma industries globally.

6f. Intellectual property, 6g. Patent analyst

7. Forensic Science

Ph.D in specialized field > Post Doctorate> Job in Industry, Scientist, Professor

Microbiologist, Lab technician, MBA, Govt. Job

DEPARTMENT OF BOTANY

About the Department

The Department of Botany started its journey from the very beginning, with the establishment of Asutosh College itself. Many of the renowned personalities studied here. The Honours in this subject was introduced in the year 1985. From that time onwards the Department has flourished more and more with all kinds of laboratory facilities being introduced starting from microscopical to molecular biology.

Under the guidance of distinguished able faculty members, the students from this department have also obtained University ranking (last year 2nd position in C.U.).

Alumni of this department are well established in various research fields in various universities and Institutes, and in teaching in colleges and school and many others are successful in different profession.

Courses Offered

B.Sc. (Honours & General)

Names of Interdisciplinary courses and the departments/units involved

Env. Sc. (PG), Annual/ semester/ choice based credit system (programme wise)

CBCS System as per University of Calcutta norms

Participation of the department in the courses offered by other departments

PG courses in Environmental Science, Botany as one of the subject in syllabus

Departmental Facilities

Library Facility

Besides the huge central library of Asutosh College, the department of Chemistry has its personal departmental library with more than 3000 books (both national and international) on all fields of chemistry. All the students are allowed to access this library based on their needs. The library is active on Saturday also. The Department is constantly updating the library with new books so that students as well as teachers benefit from the new information.

Laboratory Facilities

Department of chemistry is equipped with four wet and one instrumental laboratories. Chemistry department is well equipped with the following instruments:

1. Digital Electronic Balance
2. Digital Potentiometer
3. Digital pH-meter
4. Digital Conductometer
5. Digital Colorimeter
6. Polarimeter
7. UV-Vis single beam Spectrophotometer
8. UV-Vis double beam Spectrophotometer
9. Rotavapor
10. Laptops for Graphing

Career Prospects

- Chemist, Research Scientist, Analytical Chemist, Technical Officer, Product Development Chemist, Process Development Scientist, Quality Control Scientist, Materials Analytical Chemist, Patent Agent, Laboratory Technician, Teacher, Technical Writer, Forensic Technician/chemist, Pharmaceutical Development and/or Sales, Product Testing and Analysis.

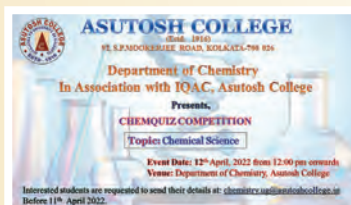

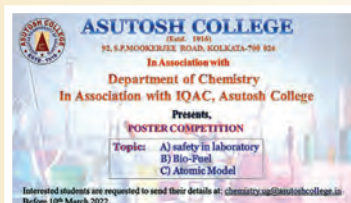

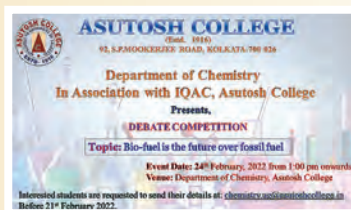

SCIENCE DEPARTMENTS

ASUTOSH COLLEGE

A CENTRE FOR
UG & PG STUDIES
AND RESEARCH

- A postgraduate student can opt for Junior Research Fellow position in the institutes and universities with the NET examination.
- Those with Post graduation and Ph.D. enter into research fields, managerial level and teaching posts.
- There are job opportunities in organizations like IACS, IOCL, JNARDDC, IIT, universities, colleges and schools.
- Research Associate posts in different institutes like Indian Association for the Cultivation of Science (IACS) and Indian Oil Corporation (IOCL) etc.
- Academic/Teaching position in different schools, colleges and universities in India and abroad.

DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer Science was started in 1996 with a vision to provide a place for Innovation, Scientific Discovery and New Technology to evolve as a Centre of Excellence for learning, integrating Computer and Information Sciences with Natural Sciences. To achieve this academic excellence in Computer Science we are continuously innovating to impart in-depth knowledge to the students, facilitate research and development activities and cater with rapid evolving nature of the present earth.

Courses Offered

B.Sc. (Honours and General)

M.Sc.

Members of Staff

DEPARTMENT OF ECONOMICS

About the Department

The department of Economics of Asutosh College was established in 1932. At present the department consists of three substantive faculty and two SACT. The department organises students seminar, workshops and invited lecture sessions on a regular basis. The faculties of the department act as paper setters, moderators and examiners of the U.G Examination of University of Calcutta for different years. The faculties participate in international, national and state level seminars, conferences and workshops on a regular basis as part of Faculty Development Programme. The students of different years participate in various events and competitions organised by other academic institutions outside college. Along with the traditional method of classroom teaching the department takes utmost care to meet

students academic queries according to the students need. The students performance in academics and their average results in the university examinations is highly satisfactory. Students of the department pursue higher studies in different national and international institutions and the remaining get absorbed in various prestigious jobs. The department has a well-established alumni.

DEPARTMENT OF ELECTRONICS

About the Department

In the year 2006, under the visionary leadership of the then Principal Dr. Debabrata Chowdhury, and with the assistance of Prof. Bikash Chandra Pal, Prof. (Dr) Mainak Gupta & Prof. Angshutosh Khan, and with very few students, Electronics Department started its journey and emerged as one of the prime departments of Asutosh College.

Prof. Bikash Chandra Pal took the responsibility of the department as the first Head of the Department of Electronics. The vision and motive was to provide and help the students with that education which is the need of modern society as well as industry.

In 2008, a Solar Panel was installed for Electronics Department with the purpose to show the importance of non-conventional energy source. The need of this project was first realized by our teachers, and came to reality with the far sight vision of the then Principal.

SCIENCE DEPARTMENTS

DEPARTMENT OF ENVIRONMENTAL SCIENCE

The Department of Environmental Science was the first Postgraduate Department of the College and the only Department under the University, where the PG course in Environmental Science has been running since the year 2002. The PG course was initially run on an annual system model which was changed into 4-Semester System in the year 2005 with the achievement of academic autonomy. In 2011, the Undergraduate Degree Course was started and since then, the department has been running the UG and the PG courses simultaneously. During this period, the department received UGC Grant to develop the infrastructure and a UGC sponsored 1-year Diploma Course on Hospital Waste Management which was run successfully for 3 consecutive years. Since 2019, the PG course is being run along the Calcutta University PG Environmental Science curriculum. The Department has excellent infrastructural facilities with dry and wet labs, an instrument room with sophisticated instruments, a departmental library (with magazines and journals), and smart classrooms with LCDs. The department has strong alumni with many established abroad. Besides academics, the department always encourages its students participating in extracurricular activities, seminars and workshops. The Department has visiting experts in different fields of the subject belonging to eminent institutes for the betterment of the students.

DEPARTMENT OF GEOGRAPHY

About the Department

The Department of Geography, Asutosh College, Kolkata is one of the oldest of its kind for undergraduate studies not only in West Bengal but also in whole of India. Its students' strength, faculty members, laboratory equipment, library books have possessed a gradual increasing trend. It has much-enriched laboratories, well equipped with modern instruments. The results of the university's final examination of both UG and PG courses are highly appreciable. A good number of students obtain first class marks in the university's examinations each year.

Encouraged by the enriched infrastructural facilities, consistent performance in the result of university's examinations, the PG course in Geography has been introduced in the academic session 2009-10. In this way the Department of Geography of this esteemed institution has been maintaining its academic excellence tirelessly during last six decades. 9 full time faculties with 6 Ph.D. and 5 research scholars are now actively working in this department, who have been deeply involved in the teaching and research activities. 2 UGC (minor), 1 ICSSR (major) sponsored project have already been successfully completed and 2 sponsored WBDSTBT projects are going on till date under the supervision of the faculties of this enriched department.

Departmental Facilities

Library Facility

The total number of books at the seminar library of Geography for UG and proposed PG is about 1300, which consists of more than 600 text books and more than 700 reference books. The college also subscribes 5 journals

on Geography and other allied disciplines. Map section of the seminar library possesses different kinds of maps, topographical sheets, charts etc. of which total number of topographical sheets is about 1000.

The library of Asutosh College in the Main building, the Annexe building and also in the Centenary building is very rich in different types of books in Geography and allied subjects. Both the teachers and students of this department have the scope to utilise this resource.

Laboratory Facility

The department has two fully air conditioned laboratories- one GIS lab and another is Soil and Water Analysis Lab. The GIS lab has 20 Computers with advanced GIS and Remote Sensing software and high speed internet connection. Dedicated soil and water lab has the advanced test equipment. The department holds a good collection of satellite images, aerial photographs along with GPS, digital visualizer, prismatic compass, dumpy level, auto level, hygrometer, laser distance meter, transit theodolites, altimeter, clinometer, planimeter, total station, water current meter, echo sounder, hot air oven, sieving machine etc. The class rooms are well equipped with LCD projector, wall mount screen, computer, laptop.

Career Prospects

- Teaching job in academic institutions (School/College)
- Career in RS GIS field
- Research opportunity
- Career in administrative services

DEPARTMENT OF INDUSTRIAL FISH AND FISHERIES

About the Department

Industrial Fish and Fisheries was introduced in our college under the affiliation of the University of Calcutta and financial support from UGC in 1994 as regular degree course. Later in 2003 the course was converted to Major Degree course by the University of Calcutta.

This course has proved its tremendous potential as several students from this course have established themselves in various fields of Fisheries Science both in Government and Private sectors. At the all India level though these students are treated on par with other Honours students graduating in different subjects and have access to different P.G. Degree courses.

The department of Industrial Fish and Fisheries is in a stable and mature stage after a long journey of more than 24 years. The student strength, laboratory equipments and library books, all are in supportive condition to provide the well and adequate ambience for the advanced research in fish and fisheries. The department has equipped laboratories, modern instruments, computers with internet facilities and smart classrooms, all of which are useful for graduate teaching.

DEPARTMENT OF MATHEMATICS

About the Department

It is one of the oldest Departments in the college offering a course in Mathematics at the Undergraduate level. As the years passed by, the Department started Honours Course in Mathematics and the students excelled in the University Examinations many a time. For quite a few years the students have fared very well in competitive examinations like JAM, ISI, TIFR, etc. Many great teachers have glorified the department over the years. Many of the past students are well-known figures and recognized mathematicians. Over the years the Department has continued to maintain a distinctive competence and is holding its flag fluttering atop with aplomb.

DEPARTMENT OF MICROBIOLOGY

About the Department

The Department of Microbiology started in the year 2003 under the esteemed guidance of academic dignitaries. The ultimate purpose was to introduce an upcoming branch of biological science for undergraduate students. The Microbiology family at its onset had two members (teachers) and now we are a family of twelve (9 - teachers & 3 - non-teaching staff). Currently we run undergraduate programme under the Choice Based Credit System according to guidelines and syllabus set by the University of Calcutta. We have experienced and qualified teachers who have not only excelled in academics but also in research and administration.

Departmental Facilities

Library Facility

The department has a well stocked library with nearly 400 books on diverse areas of the subject including basic Microbiology, Biochemistry, Virology, Bacteriology, Biostatistics, Enzymology and others.

Laboratory Facility

The department has two well maintained laboratories with all the necessary modern equipments required to run the undergraduate program.

It also has access to the DST-sponsored BOOST laboratory which is coordinated by the Head of the Department.

DEPARTMENT OF PHYSICS

About the Department

The Department of Physics, Asutosh College, started its journey in the year 1922 and is thus one of the oldest Physics teaching-learning centers in South Calcutta. Many eminent faculties have taught in this department including Prof. Amal Kumar Ray Chaudhuri and Prof. K.G. Majumdar. Presently the department has seven Substantive associate/assistant professors, three professors in 'SACT' category and one GLI.

We have state-of-the-art laboratory facilities, a good collection of books in the departmental library and an e-library facility, dedicated computation Laboratory and three ICT enabled departmental class rooms. The legacy of high quality human resource development is continuing as a number of students get opportunity to continue postgraduation in IITs, NITs, IISERs, Central and State universities every year by qualifying JAM, JEST and other competitive exams and even in this year in spite of the pandemic situation five students of the Department qualified in the JAM examination. After higher studies such as Ph.D and Post-Doctoral research many of them are placed themselves in top quality Indian institutes such as IITs, NITs and even international institutions of excellence such as (Dr. Ronojoy Adhikari faculty member), Cambridge University, U.K.

DEPARTMENT OF PSYCHOLOGY

About the Department

The Psychology Department of Asutosh college, began in the year 2001, under the able guidance of Dr. Dipak Kumar Kar and Dr. Debabrata Chowdhury and thereafter, the department was dynamically led by Late. Dr. Pooja Chatterjee for a span of 16 years with the untiring support of her departmental colleagues. The department was able to establish its own "Psychotherapy Unit" in 2014 and also publish its own Annual Departmental Magazine titled "Prism" each year to publish the research articles written by the students. The department has always believed in the Gestalt'ist way of learning and in pursuing academia but "with-a-difference".

Since inception the department has witnessed a dynamic growth in terms of providing quality human capital to the society at large which is clearly reflected in the successful milestones achieved by the alumnus of the department not just in academia but also across other industries.

The achievement of our department lies not only in the success rate of our students' academic performances all these years, but also in the fact that our students have successfully made a mark professionally, starting from research works and academics to sports psychology, industrial & organisational psychology, counselling and many more. One can proudly say that among the few colleges, under Calcutta University, that offer Psychology as an undergraduate course, our department has a niche for itself by providing an enriched environment for the overall growth of students.

DEPARTMENT OF STATISTICS

About the Department

The Department of Statistics, Asutosh College came into existence in 1952. The main goal of the Department is to impart quality education and to disseminate statistical knowledge which enables the students to pursue their career choices in academics or in analytics industry. The Department has a well-equipped computer lab where the students get the opportunity and space to connect theoretical knowledge with practical learning. There is a good collection of books in the Department with latest titles in various areas of statistics. The Department has earned for itself an excellent reputation and the students excelled in the University Examinations many a time. Many of the former students are now recognized statisticians in the world. Over the years the Department has continued to maintain a distinctive competence.

DEPARTMENT OF ZOOLOGY

About the Department

Since its establishment in 1925, the Department of Zoology has been fostering young minds towards critical thinking and learning, motivating them towards new goals.

The Honours course was introduced in 1973, and in 2009, we went a step further with the introduction of the Postgraduate course, under the University of Calcutta. At the undergraduate level, we coordinate with the IFF (Major), Botany, Biochemistry, Microbiology, and Environmental Science departments by offering Zoology as a Generic Elective paper. At the postgraduate level, we conduct classes for CBCC in Zoology for students of the Environmental Science department.

The PG section is partially sponsored by DST-FIST and has facilities supported by the state-level DBT in the form of the DBT BOOST laboratory to enhance research facilities in the department.

The department has a long-standing history of knowledge-sharing across interactive platforms like seminars, workshops, and extension lecture series, involving renowned experts from various institutes and universities. It has successfully organised several conferences in association with reputed institutes like The Asiatic Society, Society of Medical Arthropodology, National Academy of Vector-Borne Diseases, to name a few. Faculty members have made notable contributions at the national and international levels, including representing India at WHO-organised international conferences. They have contributed learned articles in reputed journals, both before and during the pandemic. The department has also successfully completed several UGC, DST (WB Govt.), and DST SERB projects.

Departmental Facilities

Library Facility

The Department has a Seminar Library consisting of 464 books. Several books have been purchased since the inception of the M.Sc course. 105 books are currently available in the Library facility of the Centenary Building which are dedicated to the different branches of Zoology and can be accessed by the Post Graduate students. The students can use the internet facility in the Department for further research work for gathering resource materials. They can also access the subscribed Journals through NLIST consortium under Inlibnet. Digital library is also of immense help for the students.

Laboratory Facility

The Department has three well-equipped laboratories and also has access to the WB DST-sponsored BOOST laboratory. Few of the instruments are enlisted below:

Laminar air flow, Centrifuge, Compound microscope, Digital balance, Refrigerator (-4/-20°C), Micro microscope (MM01R), Micro microscope (MM02R), Microtome machine, Gel apparatus with power pack, Stage micrometer, Binocular microscope, Binocular(Olympus & Nikon), Hygrometer, Wet & Dry Thermometer, Magnetic compass, Pocket pH meter, Water analysis kit, Soil thermometer, High precision Electronic Balance, High speed centrifuge, Trinocular microscope with camera attachment, 3D transmission microscope, Digital Camera.

DEPARTMENT OF BUSINESS ADMINISTRATION

About the Department

The department of Business Administration was established in the year 2001 and has successfully led to the grooming of hundreds of students making them industry ready. Of the very few colleges under the University of Calcutta conducting this course, Asutosh College is amongst the most reputed ones. The department boasts of qualified faculty members with specialization in diverse fields. A distinctive feature of the department is an appropriate teacher-student ratio which ensures close monitoring of the students thereby leading to higher success rates. The department, not only aims at curriculum driven enrichment of students but also strives to hone the generic as well as specific skill sets of the students making them grow both personally and professionally to face the dynamic job market outside their campus.

“We look forward to nurture the leaders of tomorrow”

Courses Offered

Generic Management Papers (BBA)

Specialisations offered – Human Resource Management & Marketing Management.

DEPARTMENTS

DEPARTMENT OF B.VOC & COMMUNITY COLLEGE

About the Department

The department is enriched with highly qualified teachers with research experience as well as technical knowledge. Under the course curriculum, industrial partners are taking classes on regular basis both in theoretical as well as practical classes (for skilled component) within the College premises. At the same time students on a regular basis visit industries for training purposes. Apart from general library we have the departmental seminar library with almost all the books (for General Component & Skilled Component) as recommended by Industrial Partner and Board of Studies framed for the above courses. We have well equipped laboratories for Software Development and Industrial Aquaculture & Fisheries as recommended by industrial partner and Board of Studies framed for the above courses.

Courses Offered

B.Voc. in Software Development

B.Voc. in Industrial Aquaculture and Fisheries

Chief Advisor & Exam In charge:	Chandramalli Sengupta Ph.D Associate Professor
Coordinator:	Bidisha Maitra Sen Ph.D Assistant Professor
Joint Coordinator:	Sk Mohiuddin M.C.A. Assistant Professor

TEACHING

Dept. of Software Development		Dept. of Industrial Aqua Fisheries	
1.	Santanu Modak M.Sc S.A.C.T. - I	1.	Mukti Chanda Paul M.Sc , Ph.D S.A.C.T.- I

TEACHING			
Dept. of Software Development		Dept. of Industrial Aqua Fisheries	
2.	Rishi Bhattacharjee M.C.A. & M.Sc (CS) S.A.C.T. – II	2.	Basudha Basu M.Sc S.A.C.T. – II
3.	Beauty Sarkar M.C.A. S.A.C.T. – II	3.	Vincent Souvik Gomes M.Sc S.A.C.T. – II
4.	Bidhan Chandra Jana M.Tech S.A.C.T. – II		

NON-TEACHING			
1	Soumyadeep Bhattacharya Lab. Instructor	2	Murari Chakraborty Lab Attendant
3	Debasish Pramanick Lab. Attendant	4	Subham Pramanik Lab. Attendant
5	Indranath Chatterjee Lab. Attendant		

Departmental Facilities

Library Facility

Apart from general library we have the departmental seminar library with almost all the books (for General Component & Skilled Component) as recommended by Industrial Partner and Board of Studies framed for the above courses. Seminar Library: 189 books.

Laboratory Facility

Well-equipped laboratories for Software Development and Industrial Aquaculture & Fisheries as recommended by Industrial Partner and Board of Studies framed for the above courses.

Power-backup Facility

All laboratories and class rooms are coupled with heavy generator. So, there is no loss in class hour with power failure. Software laboratory is also coupled with on line UPS and 30 minutes battery backup.

Library

Asutosh College has exceptional library facilities. We have about 53,000 books for the benefit of our students and faculty members.

In all, there are four libraries sprawled across the two campuses of our college :

- The Asutosh College main building houses the Central Library, which is situated in the ground floor. It has approximately 20,000 books which students can borrow and allows a seating capacity of 50 people in its study room for reading purpose.
- The ACTC building of the college also houses a reading library that has about 15,000 books accessible to students for reading purpose inside the study room which can accommodate approximately 30 people.
- The Centenary building has the PG library, having 5,000 books and the e-library. It has approximate sitting capacity of 30 people in its study room at a time.
- The Asutosh College Second Campus at Bhasa also has its own library dedicated to BVOC and community college, where students can access about 3,500 books.
- Apart from these, all departments have seminar libraries from which they can borrow books and access the internet for regular student-teacher interaction.
- The e-library has Consortium NLIST Subscription since 2012, which allows access to around 7000 journals and 30 lakh books.
- The Library also has subscription to popular magazines like Week Open, India Today, National Geographic Traveller along with news paper subscription of 4 dailies, 3 in Bengali and 1 in English.

ASUTOSH COLLEGE

A CENTRE FOR
UG & PG STUDIES
AND RESEARCH

LIBRARY DEPARTMENT

- Students and faculty members can also access plagiarism check software.
- Provides online catalogue for easier access via WEB OPAC, Reference Service, research help and remote access.
- To facilitate access to knowledge to the visually challenged students, 'Braille Corner' is there in the reading library. This section is comprised of more than 200 volumes of Braille books covering Bengali and English literature, History, Philosophy among others. Moreover, there are nearly 50 audio books (DVD) available at the 'Braille Corner' along with numerous other audio books that are accessible under NLIST.
- All the annual journals of the college, published since 1924, can be accessed in digital version from the college website. This is extremely important for the centenary history of the college and archiving purpose.
- Annual book exhibitions are also organized by the library

The Asutosh college library has its own dedicated webpage <https://cloud.ashutoshcollege.in>

Research Activities, Collaborations and Infrastructure

Asutosh College presently accredited by NAAC with Grade-A, is a century old educational landmark institute not only of West Bengal but also of Eastern India. Presently, the College successfully runs six postgraduate departments and twenty nine undergraduate departments; highest amongst all the affiliated and constituent colleges under the University of Calcutta.

Members of our teaching fraternity are engaged in active research, either with individual research projects or in collaborations with other reputed national and state research institutions and universities.

Almost all the teaching faculty members are active in their research pursuits. In the last two decades, our faculty members and students pursuing research have made their significant contributions in their respective fields and have also published their work in reputed peer reviewed National and International journals.

They have also presented their research outcomes in several national and international conferences/seminar/symposiums. Several potential students have qualified the research entrance examinations viz. GATE, CSIR/ICMR/UGC-NET/DBT-NET and have also received other fellowships offered by several Institutes in India and abroad.

Currently, the total number of faculty members having PhD degrees is 105. Some of the faculty members are also guiding students for their PhD research work. Few of the faculty members are pursuing their research for PhD degrees as well.

Objectives

- To encourage and facilitate interdisciplinary research (both funded and non-funded) among the Faculty members.
- To encourage UG/PG students to handle sophisticated instruments and carry out experiments under 'Skill-based' module of the CBCS syllabus.
- To extend infrastructure to the master degree interns working pursuing projects.
- To run workshops, hands-on training courses on interdisciplinary areas of research.

- UGC
- RUSA 2.0
- **West Bengal State DBT BOOST** for setting up a Molecular Biology Laboratory
- **DBT-FIST** for boosting research and academic infrastructure of Postgraduate departments under Science stream.

Patents

Existing Research Facility

- DBT-Boost Laboratory:** equipped with infrastructure suited for basic Molecular Biology research and conduction of UG/PG level practical classes of various Biological Science departments.
- Language Lab:** set at the ACTC Building to facilitate research activities on various languages.
- Advanced Libraries:** The College consists of one Central Library at Main Building, one digital cum conventional library at the Centenary Building and Multiple Departmental Libraries with scientific journal access in e and hard copy form. An NLIST database access is available for the faculty, Researchers and student users.
- Animal House:** A functioning Animal House to breed, rear laboratory and experimental animals present.

Upcoming Research Facility: Asutosh College Research Centre

Asutosh College has recently acquired a building for establishing a dedicated research centre for both science and humanities. The aim of this centre is mainly to create an environment for further encouraging the faculty members and their research students to nurture their intellectual curiosity and engage in their scientific research pursuit. The objective of this research centre will be to enhance local economy by focusing on the regional resources and improving the health, environment, well-being and quality of life for the people of West Bengal and the world. The intent is also to create an ambience for pursuing fundamental researches in different disciplines of science and humanities and to give exposure to the students through various research trainings. The expertise of our teachers and the diversity of the subjects they teach will be an advantage to the centre for undertaking interdisciplinary research in the coming years.

STUDENT SUPPORT SERVICES

STUDENTS' UNION AND ITS ACTIVITIES

The Students' Union is the students' organization in a university or college which organizes co-curricular/leisure activities for students, provides welfare services, and represents students' interests.

The Asutosh College Students' Union (A.C.S.U) is something like a bridge which connect students with college authority. The aim is to solve students' problems that can either be related to academics or have a general political and social nature.

We all know that the tradition of Bengali culture is what we call 'Baaro mashe tero parbon'. In keeping with this tradition, the Asutosh College Students' Union organizes a number of events around the year to encourage them to participate. The sole purpose of a student organization is to help students and improve their graduation experience in different ways. It is important because it holds the capacity to help develop students into better individuals.

14.	Mira Chatterjee Memorial Prize	For securing the highest marks in the Environmental Science (Hons.) final Examinations (C.U.).
15.	Amarendranath Basu Memorial Prize	For securing the highest marks in the Environmental Science M.Sc. Part I Examinations (C.U.).
16.	Sudhir Kumar Brahma Memorial Prize	For securing the highest marks in the Environmental Science M.Sc. Part-II Examinations (C.U.).
17.	Award instituted by Dr. Dilip Sen	For securing the highest marks in the Mathematics (Hons.) Part-I, Part-II and Part-III Examinations combined.
18.	Dhruba Narayan Bagchi Memorial Prize	For securing the highest marks in Mathematics (Hons.) B.Sc. final Examinations (C.U.).
19.	Kesab Chandra Mukherjee Memorial Prize	For securing the highest marks in the Industrial Fish & Fisheries B.Sc. (Major) Examination (C.U.).
20.	Ramendra Krishna Sarkar Memorial Prize	For securing the highest marks among college candidates in the Botany (Hons.) Examinations (C.U.).
21.	Dr. Parimal Kumar Roy Memorial Prize	For securing the highest marks among college candidates in the Botany (Hons.) Examinations (C.U.).
22.	Durgapada Mondal Memorial Prize	For securing the highest marks among college candidates in the History (Hons.) final Examinations (C.U.).
23.	Prabhakar Chakrabortti Memorial Prize	For securing the highest marks in the B.A. Part -I (Hons.) Examinations in History.
24.	Saibya Chakrabortti Memorial Prize	For securing the highest marks in the B.A. Part-II (Hons.) Examinations in History.
25.	Ira Ghosh Memorial Prize	For the highest attendance in the History (Hons.) classes.
26.	Amiya Kumar Mazumdar Centenary Memorial Prize	for securing the highest marks in Philosophy (Hons.) in the B.A. Final Examinations (C.U.).
27.	Dakshinaranjan Bhattacharya Memorial Prize	For securing the highest marks among college candidates in the Zoology (Hons.) B.Sc (Part-I) Examinations (C.U.).

PRIZES AND SCHOLARSHIPS

SL. NO.	AWARD	CRITERIA
28.	Sibakali Misra Memorial Award	For highest attendance in both theory & practical classes for 1st, 2nd & 3rd year students of Zoology (Hons.).
		For highest attendance in both theory & practical classes for 1st, 2nd & 3rd year students of Zoology (Hons.).
		For highest attendance in both theory & practical classes for 1st, 2nd & 3rd year students of Zoology (Hons.).
29.	Parul Bhattacharya Memorial Prize	For securing the highest marks in the Zoology M.Sc. Examinations.
30.	Carolus Linnaeus Award	For the best paper/project presentation in the M.Sc. (Zoology) 4th semester Examinations
31.	Krishna Basu Memorial Prize	For securing the highest marks among college candidates in the B.B.A.(Hons) C.U. Examinations.
32.	Subharani Ghosh Memorial Prize	For securing the highest marks among college candidates in the Bio-Chemistry (Hons.) final Examinations (C.U.).
33.	Prof. William B. Schokley Memorial Prize	For securing the highest marks in Electronics (Hons.) B. Sc. Part-I Examinations (C.U.).
34.	Prof. Jack S. Kilby Memorial Prize	For securing the highest marks in Electronics (Hons.) B. Sc. Part-II Examinations (C.U.).
35.	Acharya Jagadish Chandra Basu Memorial Prize	For securing the highest marks in Electronics (Hons.) B.Sc. Part-III Examinations (C.U.).
36.	Prof. Chittaranjan Basu Memorial Prize	For securing the highest marks in Physics (Hons.) B.Sc. Part-I Examinations (C.U.).
37.	Prof. Amal Kumar Raychaudhuri Memorial Prize	For securing the highest marks in Physics (Hons.) B.Sc. Part-II Examinations (C.U.).
38.	Acharya Satyendra Nath Bose Memorial Prize	For securing the highest marks in Physics (Hons.) B.Sc. Part-III Examinations (C.U.).
39.	Award given by Dr. P. Kundu (Ex-Student 1947-49)	For students securing the highest marks in Physics (Hons.), combined Part-I & Part-II Examination (C.U.).
		For students securing the second highest marks in Physics (Hons.), combined Part-I & Part-II Examination (C.U.).

COURSES WITH SUBJECT COMBINATIONS

Bachelor of Business Administration (BBA) Course:

COURSE NAME

BBA (Hons.)

Bachelor of Vocation (B.Voc.) Courses (UGC Approved under B.Voc. Programme):

COURSE NAME

Software Development (Dept. of Computer Science)

Industrial Aquaculture and Fisheries (Dept. of Industrial Fish & Fisheries)

Diploma and Advanced Diploma Courses (UGC Approved under Community College Scheme):

COURSE NAME

Software Development (Dept. of Computer Science)

POSTGRADUATE, DIPLOMA & OTHER COURSES

Post-Graduate Courses

Applied Geology ■ Bengali ■ Computer Science ■ Environmental Science ■ Geography ■ Zoology

PG Courses through Distance Education Centre of Vidyasagar University

M.A. : English, History, Political Science, Sanskrit

M.Sc. : Environmental Science, Physics, Chemistry

Diploma and Advanced Diploma Courses (Under UGC Approved Community College Scheme)

Mobile Communication ■ Software Development

Professional / Training Courses

WBCS Examination : Preliminary, Main, Optional paper ■ NET (UGC & CSIR)/SET ■ School Service Commission Examination ■ Combined Examinations : Clerkship, Staff Selection, Railway, ■ Bank, Miscellaneous ■ Computer Courses ■ Career Counselling

Fare thee Well,
Dear Colleague

Smt. Ena Chatterjee
Associate Professor in Statistics
Retired on 30th April, 2022

Dr. Chandra Chaudhuri
Associate Professor in Chemistry
Retired on 31st May, 2022

In Memoriam

Sital Chandra Dey
Non-Teaching Staff, Department of Accounts
26/04/2022

RULES & REGULATIONS

- Must be punctual and regular in class attendance.
- 75% of attendance in both theoretical and practical classes is essential to appear in the University Examinations.
- Identity Card, Laboratory Card and Library Card must be brought to college regularly.
- Loitering in the corridors is strictly prohibited.
- Use of Mobile Phones in the class room/library/laboratory/corridor is not allowed.
- Attendance of parents in Guardian-Teacher Meeting is obligatory.

Hon'ble Supreme Court has ruled that ragging is a criminal offence. The College has adopted a "zero tolerance" policy regarding ragging in any form. Any student found involved in ragging another student either in the College premises or in the Hostel will face severe punishment which will include immediate expulsion.
